Soil Health Card Scheme

- launched in 2015 in Rajasthan
- this card informs farmers about nutrients status of the soils along with the recommendation on appropriate dosage of nutrients to improve soil health and fertility
- card will be issued once **every 3 years** to a farm so that nutrients deficiency can be regularly detected and improved
- aim is to provide SHC to all 120 million farm holdings by Dec. 2017

Paramparagat Krishi Vikas Yojana

- promote organic farming
- products will be linked with the market
- no liability for farmers for expenditure on certification

E-National Agricultural Market

- Rashtriya Krishi Bazaar
- pan-india electronic trading portal which network existing APMC
- NAM is a virtual market but it is connected to a physical market at the back end and promotes genuine price discovery
- funded by **Agri-Tech Infrastructure Fund** set up through Small Farmers Agribusiness Consortium

National Food Securities Mission

- launched to enhance production of
 - rice
 - wheat
 - pulses
 - coarse cereals
 - commercial crops (cotton, jute and sugarcane)
- funding
 - 50:50 for food crops
 - 100:0 for cash crops
- implemented through cluster demonstration, distribution of high yield seeds with farm mechanization and integrated pest management
- **National Food Securities Act is different and is administered by Ministry of Consumer Affairs**

Pradhan Mantri Krishi Sinchayee Yojana

- main objective
 - extending coverage of irrigation
 - improving water use efficiency
 - end to end solution on source creation, distribution, management, field application and extension activities
- formulated by amalgamating
 - Accelerated irrigation benefit program - Ministry of Water Resources, River Development & Ganga Rejuvenation
 - Integrated Watershed Management Programme - Department of Land Resources, Ministry of rural development
 - On Farm Water Mgtt - Department of Agriculture and Cooperation
- all structures under the schemes will be **geotagged**
